

**An
integrated
solution to
enhance
branch
operations.**

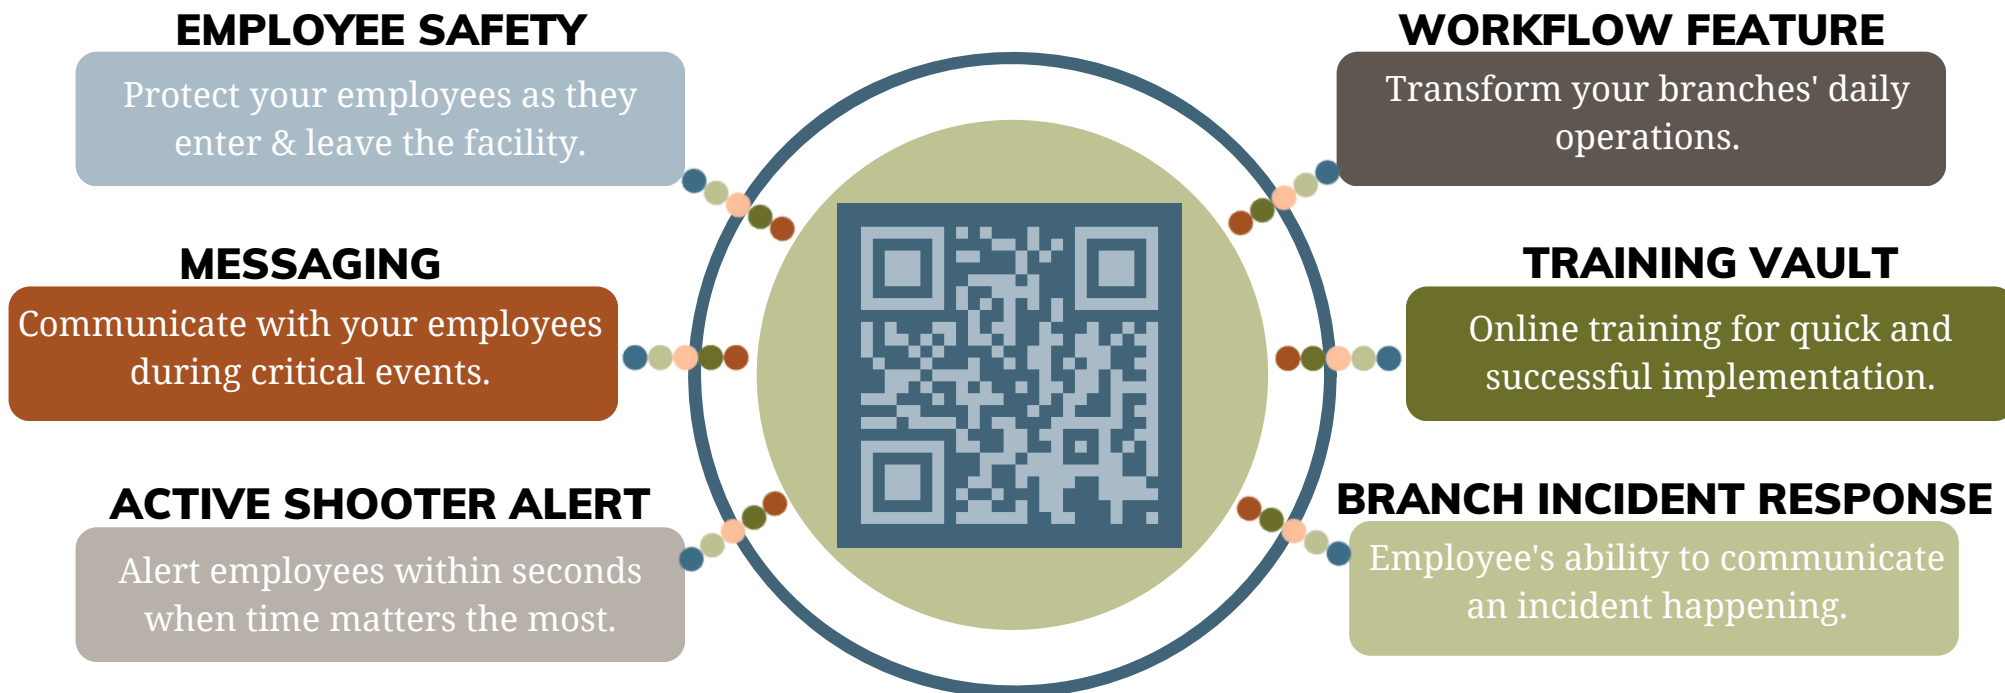

- The All Clear System is the first technology-based solution to protect your employees during the critical times of entering and leaving the facilities.
- Communication is absolutely critical during times of crisis. The All Clear system allows you to connect with your employees to ensure their safety during these times.

- An easy-to-use and easy-to-implement solution allowing every employee to use the system at every location for one low price.
- Transform your branch operations with our user-friendly system. Clearing, capturing detailed information, and communicating with your employees, we've got you covered!

The All Clear system has given my employees a peace of mind. It is so easy to use! I couldn't ask for better customer service!

Scan the QR code above to see how our system can make a difference!

See for yourself the difference that All Clear can make!
